Grace Academy Financial Policy 2009-2010 School Year

Please prayerfully and carefully consider on-line class selections, as registration is a firm financial commitment. Please sign the Financial Policy Payment Plan Options Form and return with your registration. Registrations cannot be accepted without this signed form.

On-Line Courses:

Although our online courses will work slightly different than our regular on campus courses, our goal is to provide the same quality educational experience simply in a different format. Students will be able to visit the same e-bulletin site they have used for their on campus courses in order to view assignments online, download video clips of lessons, and interact with teachers via email. Students who participate in this online learning program experience the benefit of completing assignments at their own pace, on their own schedule, and in the environment of their choice; all it takes is an internet connection!

On-line Tuition: \$650 annually for each on-line course

Costs of all textbooks/workbooks are the responsibility of the parent and not included in tuition.

On-line Administrative Fee: On-line Application Fee is \$50 per year. If you are registered for the current year at Grace Academy, then the on-line application fee does not apply. The on-line administrative fee is non-refundable. If you register for on-site courses during the 2009-10 School Year, there will be an additional \$200 annual family fee.

All Deposits, Payments and Administrative Fees for 2009-10 On-line Courses are Non-Refundable and Non-Transferable to siblings or any other student. You may not drop a class and apply payments paid for dropped classes against your account balance. There will be no refund or reduction of the bank draft for dropping an online class.

Draft payments will not be stopped until the account balance is paid in full even in cases of students transferring out of Grace Academy. There will be no refund of tuition for students excluded for disciplinary purposes, nor will the bank draft be stopped until the full year remaining balance is paid.

Financial Policy Payment Plan Options Form

Plan A – Pay in full at the time of the initial registration.

Plan B – Pay 40% of the total tuition and fees at time of registration and pay the balance of tuition in equal monthly bank draft installments by 4/15/10.

Additional Options: Short term financing or bridge loans may be available on an individual basis through your personal bank, Grace Academy’s Bank - RBC Centura, or Household Finance. For help at RBC Centura, please contact the manager at (704) 686-1770. For help at Household Finance, please call (704) 752-6385.

When a class is added after the initial registration, the family must pay in full upon enrolling or come in and complete a new bank draft. If registering by phone you may pay for additional classes with a credit card. The number of draft payments is dependent upon the plan selected and your registration date.

In the event of a bank draft default a family will have ten days to bring their Grace Academy account current during which time their student may attend class. After which their student(s) may return to class as soon as their account becomes current.

Students will be placed on a class roster for the 2009/2010 school year as soon as the registration deposit is paid and the family's 2008/2009 account status is current.

I have read and will comply with the Grace Academy Financial Policy for the 2009-2010 school year and I agree to read and follow Grace Academy policies in the Grace Family Handbook available online at www.graceacademync.com.
